Spring 2 Homework Bingo!

Choose any three to complete this half term and bring them in to share.

Please also remember to do daily reading, spelling and times tables practice.

Get a magazine and see how many different solids, liquids and gases you can find. Make a collage.	Create a 5 minute fitness routine (e.g. 4 star jumps, 30 seconds jogging on the spot) to complete each day for a week.	Research a plant that can only be found in the Amazon Rainforest. Create a PowerPoint or poster to share your findings.	Find an object that has interesting patterns, textures or shape. Look at the details closely and draw a close-up.
Thinking about our learning from last term, make up a history game about the Ancient Greeks.	Find out about deforestation – what is it and what problems is it causing? Write down 5 facts.	Make a poster explaining how to spot internet scams.	Learn 10 – 20 animal names in French. Make a poster to help you remember.
Draw a picture to demonstrate the meaning of gravity.	Help to cook a nutritious meal at home. Bring in a photo or share the recipe.	Use the free website 'Hour of Code' to complete a game creating task.	Find a song or piece of music that is important to you. Draw a picture / write about how it makes you feel.
Create a comic strip (digital or drawn) that links to our science (forces) or geography (rainforests) learning.	Research one of the world's biomes, other than the rainforest. What is it like there? Draw or write about it.	Write a story of your own choice using a clear beginning, middle and end. It should take you 30+ minutes to write and be 2 sides in length. This will count as 2 home works.
