New Barn

Before half term, we visited New Barn. It was a long drive there but when we arrived, I knew it was going to be fun! We took part in did lots of exciting activities including an interesting nature walk, pond dipping and team building. On the last night, we had a onesie disco and played some cool games. I definitely had the most wonderful time at New barn and would certainly recommend it.

Your Time to Shine Day

On Friday 23rd November, we will be holding our '**Your Time to Shine Day**'. This is to raise awareness of the importance of being bright and being seen, especially as the evenings are darker in the winter months.

On the day, in **addition** to normal school uniform we will be asking the children to wear something bright. For example a brightly coloured hat, gloves, scarf or a coat. They could accessorise with reflective clothing, a reflective vest, reflective keyring or an arm snap-band.
