

Key Stage 1 Responsible Internet Use

We will use the school computers and the Internet for learning.

These rules will help us to be fair to others and keep everyone safe.

- I will search the Internet only if I have an adult present.
- I must ask my teacher before I access a file from the favourites list.
- I will only use my own login.
- I will only use e-mail when working with an adult helper
- If I see anything that makes me unhappy or I think is wrong, I will tell my teacher immediately.
- I will only download from the Internet when I have asked my teacher and he/she has given me permission.
