

Key Stage 2 Responsible Internet Use

We will use the school computers and the Internet for learning.
These rules will help us to be fair to others and keep everyone safe.

- I will search the Internet only with an adult present.
- I will ask permission before entering any web site unless my teacher has already approved that site to the favourite list.
- I will only use my own login.
- I will not look at or delete other people's files.
- I will not bring disks into school without permission.
- I will only e-mail people my teacher has approved.
- The messages I send will be polite and sensible
- When sending e-mail, I will not give my home address or phone number, or arrange to meet anyone.
- I will ask permission before opening an e-mail or attachment
- I will not use Internet chat rooms
- If I see anything I am unhappy with or I receive messages I do not like, I will tell a teacher immediately.
- I know the school may check my computer files and may monitor the Internet sites I visit.
- I understand that if I deliberately break these rules I could be stopped from using the Internet.
- I will not download any item from the Internet without the permission of my teacher or another adult.
